LEADERSHIP
IS OUR BUSINESS

PRICEWATERHOUSECOOPERS 

Secondment Opportunity with PricewaterhouseCoopers LLP – Northern Ireland

Length of Secondment: 12 weeks
(approx 1 term)

HTI working in partnership with PricewaterhouseCoopers LLP, Belfast, NI offers a 12 week Secondment working within the Research, Strategy and Policy Group.

Number of Secondees needed: 1

The Research, Strategy and Policy Group undertake a wide range of research and consultancy assignments on behalf of public sector clients in Northern Ireland and Great Britain. The group undertakes a significant amount of work within the education and training sectors for clients such as the Department for Education and Skills (GB), the Department of Education (NI), and the Department for Employment and Learning (NI).

Location: Belfast, Northern Ireland

Funding: Supply cover (not to exceed £8,250) will be paid to the employer in order that the school will not be disadvantaged by the absence of the Secondee.

This work requires the research team to have:

- A clear understanding of the strategic issues facing education and training policy makers
- A clear awareness of the strategic and learning-related issues facing the senior management teams of schools, further education colleges, universities and other education and training providers
- The ability to interact effectively and persuasively with senior managers of institutions within the education and training sector
- A broad understanding of research methods and an ability to undertake interviews, surveys and focus groups with, for example, headteachers and pupils in schools, and principals and students in FE colleges
- The ability to write up the findings from research studies in plain English

Closing date: a.s.a.p.

Shortlisting: t.b.a.

Interviews: t.b.a.

Secondment start date: mid-February 2006 (negotiable)

Applications packs are available online from: www.hti.org.uk

or from HTI on 024 7669 8530.

Further details about the project are available from HTI.
